Connecticut participated in the New England Championships from 1937-1968 and did not participate from 1969-1985. Connecticut rejoined The New England Council in 1986 and continue until the present day.

These statistics were first compiled in 1989 by Keith Lawton with the help of Larry Martin and Monique Lawton. The results were then updated by Dan and Dana Grossman until 2000. Marty Ogden has updated the Connecticut results from 2000 to the present.
