Notes:

1982 First year of the Wickham Invite. Thanks to Steve Mucchetti for the following info:

The course was run differently...they started at the other end of the big field at the start and looped around to the right, going up the grass hill first. Essentially I think they did the course backwards, except the finish may have been the same.

(Must have been either slightly longer than 5k or it was a much more difficult course those first two years)

1984 The first State Open at Wickham.

1985 Class meet were held at Timberlain Golf Course)

1986 First year of State Meets at Wickham. State Open was at Timberlain Golf Course

1986 State Open was held at Timberlin Golf Course

1988 The class meets had to be held at Windham High School due to a scheduling conflict, missing Invite.

1992 Class meets ran rain course

1995 Class and Open run on rain course.

1996 State Class Meet rain course,

1997 Class Meets (rain course)

2006 the course was moved off the paved paths and was moved to an all natural terrain course.
